A Prayer for Canada

Come, Holy Spirit!

As we approach our elections on June 2nd, guide us in faithfully discerning our votes with real understanding of the issues, the candidates, and the teachings of our Holy Mother Church, so that we might choose leaders who will:

- Celebrate life, freedom, and the dignity of all people, so that each of us might be encouraged and enabled in our journeys back toward God, throughout the entire course of our lives here on earth;
- Respect all creation, so that we and future generations alike might enjoy the bounty and the copious fruits of God's love;
- Provide truly dignified work for all, and encourage us in our work, so that each of us might work with God as faithful co-creators of a beautiful, fruitful, and dignified world for all;
- Show the world the gentleness, humility, and strength of the example we, Canada, can set for the world; and,
- Remind us always that we are all here together - one family, one community, for the good of all, including the poorest, most marginalized, and most lonely among us.

That you might make us worthy disciples of the Most Gentle Shepherd we earnestly pray, in the name of the Father, and of the Son, and of the Holy Spirit.

Amen.
